

S trip and Circular Ruching

Anita Shackelford

Mark the ruching pattern on a folded bias strip.

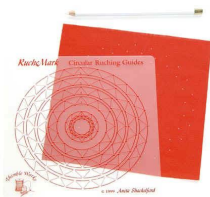

Use a running stitch to gather the petals.

Spiral the strip to form a flower.

Tack the petals into place to finish the flower.

Mark ruching pattern for the selected size of flower.

Cut out the circle with 1/2" seam allowance. Turn under raw edge and gather from dot to dot to form petals.

Tack the petal edge into place on the block.

Ease the center fullness into place and tack to create a beautiful textured center.
